chain spring begins to show signs of wear. But after several months of use, it is time to replace it. The new chain is made of a special carbon steel that is extremely strong, yet flexible. It is also made of a special heat treatment process that makes it extremely durable. When the new chain is installed, it will provide a smooth, quiet ride for many miles to come.

— in order to prevent a local rebellion. The *Times* of New York, however, suggested that the United States should not interfere. The *Times* said that the United States should not interfere in the internal affairs of Mexico, and that the United States should not interfere in the internal affairs of any other country. The *Times* also said that the United States should not interfere in the internal affairs of any other country.

OUR PRAYER FOR YOU

“I keep asking that the God of our Lord Jesus Christ, the glorious Father, may give you the Spirit of wisdom and revelation, so that you may know him better. I pray that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you, the riches of his glorious inheritance in his holy people.”

- Ephesians 1:17-18 NIV
